

## Looking Back and Rejoicing

*“And my God will supply every need of yours according to his riches in glory in Christ Jesus.” Philippians 4:19*

God has supplied all our needs here at Hope With Options. He has used faithful donors, volunteers, board members, and staff to continue to develop and grow our impact in this community. Our team is growing, and our unity is pleasing to the Father.

Because of that unity, we have had a successful year in 2023. To put that in perspective, below are some of the numbers:

	2022	2023
Pregnancy Tests	52	53
Ultrasounds	106	199
Classes	310	471
New Patients	no data	55

In addition, Sarah Edmonds, our Nurse Manager, has worked to close old files and in that process tracked outcomes on patients/clients going back to 2011 (or as far as we have electronic records). She reviewed 1,115 total pregnancies.

Sarah reported that, “of those pregnant, roughly 7% appeared to be ‘Abortion Minded’ or reported having an abortion at our last contact. Very few of these cases have been confirmed by staff, as most patients in this category did not respond to phone calls or texts after their initial visit(s). But of the patients we did contact, many women whose charts indicated they were leaning strongly towards abortion, had their hearts and minds changed after an encounter with our staff and/or viewing an early ultrasound.”

In summary, of the recorded 1,115 pregnancies from 2011-2013, 93% of the women chose life for their preborn baby. Those babies are living today, and generations will be impacted by their lives!

### Recent comments from patients:

“All the ladies at Hope With Options are sweet and supportive. You can tell that they truly care. I tell everyone who is pregnant or has little kids that they need to go here.”

“I just wanted to thank you guys for starting this amazing journey with me and being a part of it.”

## Drop-In Prayer Gatherings

Prayer is the MOST important thing we can do to be effective in our community. We haven't done much until we have prayed! The best programs and plans will fall short without the foundation of prayer.

We are gathering to pray together at the center from 4:30 - 5:30 on these dates. Feel free to drop in any time during the sessions. There will be individual prayer in open rooms and/or group prayer in the back.

If you can't join us in person for any of these times, you can still be praying for us. **Every prayer counts in this spiritual battle.**

Thursday, March 7 at 4:30

Thursday, April 4 at 4:30

Thursday, May 2 -**National Day of Prayer** - at 4:30

## Prenatal Website - [Prenataldiagnosis.org](http://Prenataldiagnosis.org)

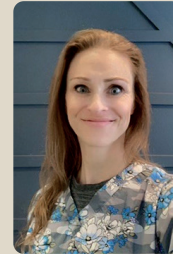

This is a new resource for families facing the heartbreaking challenges of a prenatal medical diagnosis.

“It's truly some of the hardest news any parent can ever receive when their child gets a difficult medical diagnosis ... We are a group of experienced professionals who have come together to create this website to provide you with a safe place to find the information and support you need through the journey of a prenatal diagnosis and beyond” (from [prenataldiagnosis.org](http://prenataldiagnosis.org) website).

## Ryan Bomberger is joining us this fall!

**SAVE THE DATE: Saturday, September 28, 2024**

Ryan Bomberger is an Emmy Award-winning creative professional and author of Not Equal: Civil Rights Gone Wrong. Ryan is also the co-founder and Chief Creative Officer of The Radiance Foundation. His wife, Bethany, is the Executive Director. The Radiance Foundation affirms that every human life has God-given purpose.

Ryan has a unique perspective on the innate nature of purpose. His biological mother was raped and courageously chose life, placing him for adoption. He grew up in a loving, multiracial Christian family of thirteen children. Ten of the thirteen children were adopted into this remarkable family. Ryan’s life defies the myth of the “unwanted” child as he was adopted, loved, and has flourished.

The Radiance Foundation’s goal is to illuminate the truth that every human being has inherent and equal worth. By using creative ad campaigns, powerful multimedia talks, factivism journalism, and compassionate community outreaches, they hope to educate people about culture-shaping issues and motivate them to put truth and love into action.
